Section D. Owner's Agreement

I understand and agree that no work on this request shall commence until I have received the written approval of the Architectural Review Committee (ARC). I represent and warrant that the requested changes strictly conform to the HPCA Covenants and Design Guidelines and that these changes shall be made in strict conformance with the Covenants and Design Guidelines. I also understand that I am responsible for complying with all county regulations.

The HPHOA Board of Directors nor the ARC nor their respective members, successors, assigns, agents, representatives or employees shall be liable for damages or otherwise to anyone requesting approval of an architectural alteration by reason of mistake in judgment, negligence or nonfeasance, arising out of any action with respect to any submission.

The Architectural Review is directed toward review and approval of site planning, appearance and aesthetics of modifications. None of the foregoing assumes any responsibility regarding design or construction, including without limitation, the structural integrity, mechanical or electrical design, methods of construction, or technical suitability of materials. I hereby release and covenant not to sue all of the foregoing from/for any claims or damages regarding this request or the approval or denial thereof.

In addition to the foregoing, by execution below and as the Owner of property located within the Harbour Point community (the "Property"), and on behalf of any Co-Owners of said Property, I acknowledge and agree that I have read and understand the Rules and Regulations Governing Use of U.S. Army Corps of Engineers Property Located Between Harbour Point and Lake Sidney Lanier (the "Rules"), attached hereto as Exhibit A and made a part hereof by this reference, and will abide by the terms and conditions set forth therein. I further acknowledge and agree that my failure to abide by the Rules may subject me to enforcement action by the U.S. Army Corps of Engineers.

EXHIBIT A

RULES AND REGULATIONS GOVERNING USE OF U.S. ARMY CORPS OF ENGINEERS PROPERTY LOCATED BETWEEN HARBOUR POINT AND LAKE SIDNEY LANIER

These rules and regulations, among others, have been adopted by the U.S. Army Corps of Engineers and apply to the use of Lake Sidney Lanier and its shoreline surrounding the Harbour Point community (the "Corps Property"). The Corps Property extends from our property lines down to and into the waters of Lake Lanier. In addition to these rules and regulations, be aware that use of the Corps Property is subject to the provisions of Title 36, Part 327 of the Code of Federal Regulations (the "CFR") and in the case of any conflict between these rules and regulations, the CFR shall control.

1. Vehicles. Vehicles, including, but not limited to, automobiles, trucks, motorcycles, mini-bikes, dune buggies, all-terrain vehicles, trailers, campers, bicycles, boats, watercraft, and any other such equipment shall not be parked or stored on the Corps Property at any time.
2. Sanitation. Dumping of any garbage, trash, rubbish, debris, dead animals or litter of any kind and the spilling, pumping, discharge or disposal of contaminants, pollutants or other waste, including, but not limited to, human or animal waste, petroleum, industrial and commercial products and by-products on the Corps Property is prohibited.
3. Fires. Gasoline and other fuels shall not be carried onto or stored on the Corps Property at any time. Fires of any kind are prohibited on the Corps Property.
4. Animals. No person shall bring or allow dogs, cats, or other pets onto the Corps Property unless penned, caged, on a leash under six feet in length or otherwise physically restrained. Persons bringing or allowing animals on the Corps Property shall be responsible for proper removal and disposal of any waste produced by such animals.
5. Explosives, firearms, other weapons and fireworks. The possession of loaded firearms, ammunition, loaded projectile firing devices, bows and arrows, crossbows, or other weapons on the Corps Property is prohibited. Possession of explosives or explosive devices of any kind, including fireworks or other pyrotechnics, on the Corps Property is also prohibited.
6. Destruction of Corps Property. Destruction, injury, defacement, removal or any alteration of the Corps Property including, but not limited to, natural formations, mineral deposits, historical and archaeological features, paleontological resources, boundary monumentation or markers and vegetative growth is prohibited.
7. Trees. Clearing, cutting or gathering of trees or parts of trees on the Corps Property is prohibited. (Emphasis supplied)
8. Personal Property. Personal property of any kind shall not be abandoned, stored or left unattended on the Corps Property at any time.
9. Structures. The construction, placement, or existence of any structure (including, but not limited to, roads, trails, signs, hunting stands or blinds, docks, or landscape features) of any kind on the Corps Property is prohibited.
10. Violations. Any person who violates these rules and regulations may be subject to enforcement action by the U.S. Army Corps of Engineers (the "Corps"), as provided in the CFR. Violations may lead to fines, imprisonment, or both if enforced by the Corps. Contact the Corps if you have any questions.
